

CANANDAIGUA ROTARY COMMITTEE SELECTION

Please **check at least five committees** below that you would like to work on. Please indicate which is your top choice (#1), second choice (#2), third choice (#3), fourth choice (#4), and last choice (#5). You will only be assigned to three committees. Please understand you may not be placed on your top three committee choices should those committees already have several members. ***It is strongly suggested you participate on the Greeter Committee so as a new Rotarian you can get to know your fellow Rotarians by name.***
